Forecast For Southwest England
Issued by Met Office Exeter
at 1600 on Saturday 29 May 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Warm and dry with plenty of sunshine Sunday.

This Evening and Tonight:
Evening cloud and any lingering showers soon clear, to leave a dry night with long clear spells and light winds. Some low cloud will fringe eastern areas by dawn. Minimum temperature 8 deg C (46 deg F).

Sunday:
Any low cloud will quickly clear, with a warm and sunny day following. Coastal areas feeling cooler due to a sea breeze. Staying dry throughout, with light winds. Maximum temperature 23 deg C (73 deg F).

Outlook for Monday to Wednesday:
Staying warm and dry with sunshine and patchy fair-weather clouds throughout Bank Holiday Monday, and Tuesday. Cooler along coasts with a sea breeze. Risk of heavy, possibly thundery, showers Wednesday.
